

“My Family ... My Business”

But did you know your Business is your family?

**Do you enjoy going to work? Is your work place making you depressed?
Are you excited in your business? Are you looking for another job?
Are you filing for Bankruptcy?**

Energetically we bring the issues of our families into the work place and more so onto our business... Learn how to improve your workplace and business by seeing the hidden dynamics of our ancestors and present families...Realize and act on what is stopping you from being successful and happier at your work place, either as an employee, business owner or partner. Utilizing the revolutionary therapeutic method of Family Constellations from Bert Hellinger, find out what is happening with your business and your job.

**Everything is energy, as well as the money you earn.
Money is energy too!**
